

Counseling Updates

Scheduling for 2021-2022

The High School Counselors will be in the classrooms starting this week to talk with students about course requests for the 2021-2022 school year. The students are given a small packet of information regarding the graduation requirements along with course selections for the courses. Course requests will be entered into the students 4 year plan in Harmony. This link will take you to a tutorial on 4 year plans: <https://vimeo.com/254389715>

It is important to remember course requests are not a guarantee that the course will be offered the next school year. Next year's schedule will be built from the course request numbers. Course conflicts can also create issues when creating student's schedules. The information is also available on the PHHS Guidance Canvas Page. There is a curriculum guide available on the PHHS Guidance Canvas Page and also on the Parke Heritage High School Website. The curriculum guide provides descriptions on courses and also graduation requirements. Course request need to be finalized by March 17th.

AP Updates

At this time the AP Exams will be in-person, at school.

AP Calculus: Tuesday May 4th at 8:35am

AP US History: Thursday May 6th at 8:35am

AP Chemistry: Friday May 7th at 8:35am

AP World History: Monday May 10th at 8:35am

Any changes to AP classes and/or testing will be communicated to student through the Parke Heritage Guidance Canvas Page.

Scholarship Information

Scholarship opportunities and scholarship forms are located on the Parke Heritage Guidance Canvas Page.

WRCTE Application

https://docs.google.com/forms/d/e/1FAIpQLSc_171FWRCmRWnHp2TnvYXXBk_rxzh_J4cB3m9w79iFtq2EmQQ/viewform

Students will need to complete a dual credit application in addition to the WRCTE application once they have been accepted into a Vocational Program.

Senior Information from the Canvas Page:

Seniors: This is the most critical year for you! Below are important links and information that will help guide you and will help you explore different pathways after high school. We will be updating this page with college application announcements, workshops for college applications, special events for seniors, scholarship info, graduation info and so much more. It is very important that you continue to check Canvas so you do not miss out on any important senior events!
